

“The Children's Future Conference of the Future in Support of the United Nations

~The Project Event in New York 2024 ~

Recruiting participants for the Debriefing Session on the Visit to the UN Headquarters in New York

Mynavi Kid Ambassadors took part in a ceremony to present their idea book, which is filled with proposals collected from "The Children's Conference of the Future in Support of the United Nations."

During the project event, they showcased these ideas in English.

We are pleased to announce that a debriefing session will take place for Mynavi Kid Ambassadors who visited the United Nations Headquarters in New York.

Additionally, there will be a workshop led by journalist Hori Jun focused on the theme of peace.
